## **SECTION 1 - COMPLIANCE AND GENERAL STATEMENT**

This policy complies with the statutory requirement laid out in the Special Educational Needs and Disabilities Code of Practice 0 - 25 Years (2015) and has been written with reference to the following guidance and documents:

- Equality Act 2010: advice for schools DfE (2013)
- SEND Code of Practice 0 -25 Years (2015)
- Schools SEN Information Report Regulations (2014)
- Statutory Guidance on supporting pupils at school with medical conditions (2014)
- Safeguarding Policy
- Accessibility Plan
- Teachers' Standards (2012)
- United Nations Convention on Rights of the Child (1991)

This Policy has been created to ensure compliance with the Department of Education's SEND Reforms, which address measures outlined in the Children and Families Act 2014. The Act includes changes to the support and services children and young people with special educational needs and disabilities will receive. These changes came into force on 1st September 2014. People involved with policy are: Julie Gingell (SENDCO), Julie Gingell (headteacher), SEN Governor (Krista Sharp), staff, pupils with SEND and with due regard to the input of parents.

Our school is a small, rural school with two classes. Class 1 is for children in Reception, Year 1 and Year 2, whilst Class 2 is for Years 3 - 6. This means that we are set up perfectly to support children with SEND, given that there is a mix of age groups and abilities in each class.

In compliance with the SEN Code of Practice, 2015 and SEN Reforms, there is a graduated approach to the identification, provision and support of all pupils which includes a period of close monitoring and targeted provision prior to the consideration being given to place a child onto the school Record of Need (RON). Should a pupil require provision that is additional to and different from they are placed on the RON under one single category, namely SEN Support. Their provision will be identified and progress monitored via a 'School Individual Education Plan'.

This policy sets out our commitment to raising the aspirations and expectations for all pupils with SEND, including those identified as Gifted and Talented.

## **SECTION 2 - AIM (THE LONGER VIEW)**

The overarching aim of this policy is to ensure that the needs of pupils with SEND, and the barriers to their learning, are accurately identified and effectively met so that they are able to achieve well and develop well, both as individuals and as members of the community, living life with dignity and independence. (UNCRC Article 23)

To this end, we aim to:

- a) Assess pupils accurately, track their progress regularly and adjust provision in the light of ongoing monitoring.
- b) Ensure that lessons are stimulating, enjoyable and well differentiated to meet the needs of all pupils, including those with SEND.
- c) Ensure that teaching and learning is multi-sensory.
- d) Make sure that additional support is well targeted, using a judicious blend of in-class support and withdrawal.
- e) Use the most appropriate resources to support learning and ensure that the development of pupils' literacy skills has the highest priority.
- f) Continuously monitor and evaluate the effectiveness of our provision for all pupils, including those with SEND, to ensure that we are providing equality of educational opportunity and value for money.

#### Objectives:

Through the application of this policy we wish to:

- a) Ensure compliance with National SEND Policy, most currently the DfE SEND Reforms, Children and Families Act 2014 and the SEND Code of Practice 2015.
- b) Work closely with the LA in developing their Local Offer and complying with locally agreed policies and procedures.
- c) To operate a 'whole pupil, whole school' approach to the management and provision of support for SEND.
- d) Ensure all staff implements the school's SEND policy consistently - fully endorsing our belief that every teacher is a teacher of every child including those with SEND.
- e) Ensure that there is no discrimination or prejudice.
- f) Ensure all pupils have access to an appropriately differentiated curriculum.
- g) Recognise, value and celebrate pupils' achievements at all levels.
- h) Work in partnership with parents/carers in supporting their child's education.
- i) Guide and support all school staff, governors and parents on SEND.
- j) Meet the individual needs of all children irrespective of whether they have physical, sensory, emotional, social, mental health, specific or general learning needs.
- k) Provide appropriate resources and ensure their maximum and proper use.
- l) Involve the pupil in the process of identification, assessment and provision and to ensure that the pupil is aware that their wishes are taken into account as part of the process and of the shared responsibility in meeting their educational needs.
- m) To provide an appropriately qualified Special Educational Needs Co-ordinator (SENCO) who will oversee and work within the SEND Policy.
- n) To provide support and advice for all staff working with pupils who have SEND.
- o) Support pupils with SEND to develop their personality, talents and abilities to the full. (UNCRC Article 23)
- p) Encourage all pupils with SEND to develop a respect for human rights, respect for parents, their own and other cultures and the environment. (UNCRC Article 29)

### **SECTION THREE - IDENTIFYING SPECIAL EDUCATIONAL NEEDS**

A child has a learning difficulty or disability if he/she has:

- greater difficulty in learning than the majority of children of his/her age. and/or
- a disability which prevents or hinders them from making use of educational facilities/ provision that is normally available.

-

In addition, we identify special educational needs within the context of the usual differentiated curriculum of the school. Pupils are identified as having SEND if they are not making progress within a curriculum that:

- a) sets suitable learning challenges
- b) responds to pupils' diverse learning needs
- c) aims to help pupils overcome potential barriers to learning

In accordance with the SEND Code of Practice 2015, four broad categories of need are identified:

- Communication and Interaction
- Cognition and Learning
- Sensory and/or Physical Needs
- Social, Emotional and Mental Health.

Whilst it is clear that the purpose of identification is to work out what action the School needs to take, it is not our purpose to fit a pupil into a category and serves solely to identify the needs of each individual pupil by considering the whole child, not just their special educational needs.

The school will always take needs that are NOT SEND but that may impact on progress and attainment into account for example:

- Attendance and Punctuality
- Health and Welfare
- English as an Additional Language (EAL)
- Being in receipt of Pupil Premium
- Being a Looked After Child (LAC) or previously looked after
- Being the child of Service Personnel

The Wiltshire Graduated Response to SEND Support (the GRSS) is an example of a document we use to assess whether a pupil has SEND. It is an electronic form designed to support us to identify, assess and record the needs of children requiring special educational provision.

## **SECTION 4 - A GRADUATED APPROACH TO SUPPORT OF SEND AT LUCKINGTON**

At Luckington all staff are responsible and accountable for the progress and development of all pupils in their class including where pupils access support from specialist staff and teaching assistants. High quality teaching, differentiated for individual pupils, is the first step in responding to pupils who have SEND. 'High Quality teaching' is a priority of the school. It is regularly and rigorously monitored and there is a focus on continual improvement of the teaching of all pupils, including those at risk of underachievement. This includes reviewing and, where necessary, improving teachers' understanding of strategies to identify and support vulnerable pupils and their knowledge of the SEND most frequently encountered. Close liaison is maintained with all members of staff by the SENCO to ensure that pupils are only identified as having SEND if they do not make adequate progress once they have had appropriate interventions and adjustments.

Details of the provision on offer at Luckington can be found in the School Offer in the SEND section of the [School's Website](#) and [Wiltshire Council's website](#).

### **Levels of Need**

Luckington School's Graduated Response consists of four levels as follows:

#### **Monitoring**

A pupil in this category may have one of more of the following indicators:

- Be at risk of not meeting their targets
- Currently working at a standard below National expectations and their targets will not bring them above this level
- New entrants to the school whose needs are still being assessed
- Currently have barriers to their learning eg
  - Their behaviour is disruptive
  - There are attendance/lateness issues
  - Concerns over their mental health
  - The family is currently experiencing challenges
  - They have EAL (English as an Additional Language)

Pupils at this level of need DO NOT form part of the School's SEND Register and, in line with the Code of Practice, the School ensures that everything is done at an early a stage as possible to avoid the need for SEN Support. However, if after a period of time, an individual does not catch-up, it is at this point that consideration will be given as to whether they may benefit from an Individual Education Plan (IEP).

#### **Individual Education Plan**

Pupils are placed on the SEND Register at this level after assessment and consultation between the SENCO and Class Teacher when it is established that they have a significant learning difficulty and need provision that is **additional to and different from**.

At this point, the teacher will write an Individual Education Plan (IEP), parents/carers will be informed of the decision and the School will continue to work in partnership with them,

listening to their views and those of the pupil, and involving them proactively in planning and decision making. This will take the form of a half-termly 'Assess- Plan-Do -Review Cycle.'

#### **Assess**

- Teacher's high quality, accurate formative assessment and experience of child
- Pupil progress, attainment and behaviour
- Development & attainment in comparison to peers
- Views and experiences of parents
- The child's own views
- If relevant, assessments, views of and advice from external services.

#### **Plan**

A plan will be drawn up by SENCO & class teacher in consultation with parents and child. It will include:

- The outcomes agreed for the next half term
- The support and interventions to be put in place
- The expected impact on progress, development or behaviour
- A clear date for review
- The plan will be recorded on the pupil's IEP.
- A copy will be given to the parents.

#### **Do**

- The class teacher remains responsible for working with the child on a daily basis and works closely with TAs or specialist staff to plan and assess the impact of the provision identified.
- The SENCO supports the classteacher in the further assessment of the child's particular strengths and weaknesses, in problem-solving and advising on the effective implementation of support.

#### **Review**

- Parents and their child will be invited to attend review meetings with the class teacher and at times the SENCO, three times a year in order to monitor/ review the effectiveness of the support and the impact on the child's progress.
- New targets will then be drawn up and added to the ongoing IEP cycle.
- Parents will be given copies of all notes recorded at the review.

#### **Involving Specialists**

Where appropriate the school will involve specialists, for example the SEN Support Service (SSENS). The views of parents/carers and the child are considered at all times.

#### **SEN Support Plan**

A SEN Support Plan is Wiltshire's way of supporting young people who require long term robust cycles of support involving external agencies. This could be used as evidence for an Education Health Care Plan (EHCP) in the future.

At this level, a Lead Worker will not be involved, but a SEN Support Plan can be completed by an educational setting or another professional working with a young person and used to plan and coordinate their support.

## Education, Health and Care Plan

Pupils who need more specialist provision and whose needs cannot be wholly met at SEN Support level may be the subject of an Education, Health Care Needs Assessment (EHCNA).

This is completed by the SENCO who obtains the views and information about the child from all other professionals involved in their education, health and/or care. Parents/Carers views and those of the child are obtained and will be considered in order for a recommendation for an EHCP to be made to the Local Authority. The LA then considers the application and issues an EHCP as appropriate.

There is a statutory requirement to review an EHCP annually. This review meeting is held at the school with parent, child and all professionals involved invited to attend. In addition, pupils with an EHCP are subject to the Assess-Plan-Do-Review Cycle.

### The SENCO is responsible for:

- a) Assessing specific needs of students with SEND, including application for Statutory assessment.
- b) Liaising with other schools to aid transition
- c) Ensuring all relevant information is forwarded on to a new school.
- d) Day-to-day operation of the school's SEND Policy
- e) Liaising and advising class teachers and support staff.
- f) Maintaining the SEND Register and the records of all pupils with SEND.
- g) Liaising with parents/carers of pupils with SEND.
- h) Liaising with external services including the Educational Psychology Service, Social Care, Early Support etc
- i) Planning, attending/holding review meetings for pupils with SEND including those with an EHCP.
- j) Applying for access arrangements eg additional time for KS2 SATs.

## **SECTION 6 – SUPPORTING PUPILS AT LUCKINGTON WITH MEDICAL CONDITIONS**

- The school recognises that pupils at school with medical conditions should be properly supported so that they can have full access to education, including educational visits and physical education. Some children with medical conditions may be disabled and where this is the case, the school will comply with its duties under the Equality Act 2010.
- **Some** pupils may also have SEND and may have an EHCP which brings together health and social care needs, as well as special educational provision and the Code of Practice (2015) is followed.
- The school has a number of members of staff trained in Paediatric and General First Aid and, where appropriate, staff are trained in managing the medication and other treatments of pupils with medical conditions. See the school policy for supporting Pupils with Medical Conditions for more detailed information including the name of the member of staff who leads on this aspect of care.
- The school follows guidance published by the DfE which can be found at [www.sendgateway.org.uk](http://www.sendgateway.org.uk)

## **SECTION 7 – MONITORING AND EVALUATION OF SEND**

Please refer to information given in Section 4 of this policy. The quality of provision offered to all pupils with SEND is continuously monitored through ongoing daily, weekly, termly and annual review, on an individual and cumulative basis in conjunction with the Governors, Headteacher, SLT, teaching staff and parents in line with an active process of continual review and improvement of whole school practice.

## **SECTION 8 – TRAINING AND RESOURCES**

- All professional development needs are identified through the school's appraisal system, self-evaluation and quality assurance processes and feed into the School Development Plan.
- The Headteacher oversees the professional development of all teaching staff and teaching assistants. Training occurs during whole school training days, staff meetings and by attending courses. Colleagues attending courses are expected to disseminate and share relevant knowledge with other staff within the school.
